## 2019 Student Travel Grant Program

**The Osseointegration Foundation, the philanthropic arm of the Academy of Osseointegration, is proud to continue the OF Student Travel Grant Program. Twenty-five, \$1,000 Student Travel Grants will be awarded to the recipients of the top scoring Oral Research and E-Poster abstracts submitted for the 2019 AO Annual Meeting by OF and Anker Dental Implant Systems. The grant is to be allocated toward travel expenses related to attending the AO Annual Meeting, March 13-16, in Washington, DC, to assist in paying travel expenses including airfare, hotel and ground transportation.**

This award is open to both AO student members and student non-members who submit an abstract for the 2019 meeting and are currently enrolled in a dental school program.

**SUBMIT YOUR ABSTRACT HERE (<https://osseo2019.abstractcentral.com>)**

There will be a question in the abstract system in the 'Author' area asking if you are interested in applying for the OF Student Travel Grant. Only authors indicating their interest via the abstract submission site will be considered for a Student Travel Grant.

### **Abstracts must be submitted by Friday, October 12 at 11:59 pm (EST)**

Members of the AO Research Submissions and E-Poster Committee will review and score the submitted abstracts to determine the best student presentations based on the quality of the research and relevance to the field of Osseointegration. The grants will be distributed to the recipients at the 2019 AO Annual Meeting. All recipients must be present at the meeting to receive their grant.

All awardees must have paid their meeting registration fee and presented their abstract at the 2019 AO Annual Meeting. Only the designated submitter/presenter is eligible for the award and only one award will be given per presenter. This award is non-transferable.

Those receiving a Student Travel Grant may still be considered for the Best Abstract and E-Poster Awards.
